Suquamish SEE IslandWood Fundraiser

Oct. 14, 2011

Dear Suquamish families,

We are raising money through a holiday wreath fundraiser to support the 5th grade outdoor education program at IslandWood. Proceeds will help pay for costs not covered by tuition, including teacher stipends, scholarships and transportation.

The sale starts today. Money and orders are due in your child's classroom by Wed., Nov. 9.

You can help by showing the sales brochure to family, friends and co-workers. Please collect money when you take the order. **As a thank-you for supporting this fundraiser, the family that has the highest dollar amount in sales will receive a \$25 credit toward their camp tuition.**

We encourage you to get your students involved in helping to support the camp experience they will benefit from, but please **no unsupervised door-to-door selling.**

We are working with Mt. Rainier Greenery, a Belfair-based company that practices environmentally responsible harvesting practices. All of the fresh, fragrant greens used in Mt. Rainier Greenery products are from the Pacific Northwest.

The company offers a variety of reasonably priced products, including wreaths, crosses, centerpieces, candle rings and garland. In addition to making beautiful decorations for your home, they also make great gifts.
